

Student Conference Video Guiding Questions

The following guiding questions are intended for use with the Student Conference video that is a part of the follow up to Behavior Interventions in the Classroom professional learning session. The guiding questions can be used for individual reflection or to facilitate small or whole group discussion after viewing the video.

Guiding Questions

1. Why is it important for a teacher to schedule the student conference rather than having an impromptu student conference after a behavior of concern is observed?
2. How similar are steps of the student conferences you've held to the steps described in the video?
